

## THE KULMASA STORY; THREE YEARS ON.....

Sister Rita Amponsaa-Owusu from West Africa wrote a piece detailing how she and Sr. Jane Frances Suglo began their 'New Mission' in Kulmasa, a town in Ghana. The mission is identified by four pillars: public health, a family clinic, women's empowerment, and an eco farm project. **Click the link below** to read Sr. Rita's explanation of how each of the four pillars came to fruition. Also, enjoy the photos below, showing the community in Kulmasa at the clinic and working together to prepare meals.
